

**William (Bill) Hefner VAMC Long Term Care Renovation Phase III  
Amendment #A00002 Responses and Revisions**

VA Solicitation Number: VA246-14-B-0004, Project Number: 659-335

January 27, 2014

**The following responses to Contractor questions are noted in bold below.**

1. What is the anticipated Notice to Proceed (or start) date for the project?  
**Response: As there are many variables involved in the award of a project and issue of the NTP, no date can be provided. It is anticipated that this award will be made sometime prior to 9/30/2014.**
2. Please provide the designer of the existing Audio Visual Equipment?  
**Response: Whitlock Group was consulted.**
3. Who is responsible for procurement for the Audio Visual Equipment?  
**Response: The Audio Visual Equipment will be acquired by the VA under a separate contract (for clarification, the Long Term Care Phase III project does include speakers in the ceiling as detailed on the drawings, and blocking material).**
4. Ref Specification Section 10 14 10, Signage (Interior). This specification states “see Finish Documents” for the sign standard and types. The Finish Documents do not address this signage. Could a sign scheduled be provided to include either a manufacturer’s basis of design or specified supplier?  
**Response: Signage will be furnished and installed by the VA unless required to be provided in a specific specification section.**

The following specifications have been **deleted** as a part of this Amendment #A00002

SPECIFICATION SECTION 10 14 10: SIGNAGE (Interior)

The following specifications have been **revised** as a part of this Amendment

SPECIFICATION SECTION 01 00 00: GENERAL REQUIREMENTS – Section 1.2 has been revised to add Bid Item IX (Deduct Alternate No. 8).
